2017

Selección de Parcelas Chardonnay 2017 D.O. Traiguén

— Vintage 2017

A warm vintage that we like for the concentration and power of its wines.

An early season due to its dry, warm condition and moderate yields, which delivered rich, round, long and complex wines.

Light straw color, on the nose it presents sweet aromas of apricot, pear, honey, nuts such as almonds and walnuts, and subtle notes of fine pastry.

On the palate it is broad, structured and salty, showing tension and precision, with a long finish of fresh citrus notes and a touch of smoked oak.
