Vintage 2017

A warm vintage that we like for the concentration and power of its wines.

An early season due to its dry, warm condition and moderate yields, which delivered rich, round, long and complex wines.

Deep carmine red, with aromas of raspberries, rosehip, ripe cherry and faint notes of earth, tea, cedar and licorice. On the palate, it is a deep and structured wine, with round and ripe tannins. A complex, mineral wine with notes of ripe red fruit and a long and juicy finish.

Vinification:

- 100% hand harvested
- Wild fermentation and 31% whole cluster
- Aged for 18 months in French barrels. 21% new oak of 300 lts.
- Harvest date: 23rd of March
- Production: 140 cases
